BUSINESS

What is this course about and what you will study:

This is a two-year vocational course concerned with all aspects relating to Business Studies. You will complete units of coursework, in which you will work on a range of activities and projects around the key themes and issues within business including customer service, accounting and human resources.

You will also sit examined units which cover a wide range of topics and themes relating to the business world, giving you the opportunity to find your strength within business as well as the topics that intrigue you the most.

You will also have the opportunity to visit and work with local employers to ensure that you are able to put your learning into practice.

How you will be assessed:

Students are required to sit a combination of external examinations and coursework which is marked internally and externally moderated.

What will it prepare you for:

When taken alongside other Level 3 vocational or A-level qualifications, this course can help you to progress onto higher education or into an apprenticeship or employment in the business sector.

There are many relevant degree courses including:

- Business
- Finance
- Marketing
- Law
- Human resources

In addition, students will be fully prepared to undertake apprenticeships in the following sectors:

- Banking
- Hospitality
- Property
